

The 2009 Australian Wooden Boat Festival
6th - 9th February, Hobart Waterfront, Tasmania

Program planner – current at 19 January 2009

FREE program and festival map upon entry to the Festival

There will be over 550 wonderful wooden boats to admire at the 2009 Australian Wooden Boat Festival. Every day, there are other regular features, displays and activities, plus scheduled events on the docks and on the water. Use this planner to make the most of your day ticket or four-day pass, available from Centertainment, or on the gate.
